**A.** *When the team members enter the room, tell them “This is a verbal hands-on problem. You will have one minute to select the five team members who will compete. The others may sit in these seats and watch (indicate the seats) or leave the room. They may not assist in solving the problem and may not talk at any time.”*

**B. Judges read to team:**

## **Part I:**

1. This is a two-part problem. In Part I, you will have 3 minutes to think, discuss and draw.
2. Once the time begins, it will not be stopped. If the judge asks you to repeat or to clarify your answer, it counts against your time. Speak loudly and clearly.
3. Each team member has been provided a bag with something inside, a sheet of paper and a pencil. You may not show or tell the contents of your bag to any other team member. Your problem is for each of you to draw the contents of your bag.

## **Part II:**

4. At the end of Part I, you will be given 2 minutes. Once the time begins, it will not be stopped. If the judge asks you to repeat or to clarify your answer, it counts against your time. Speak loudly and clearly.
5. Your team is to say something to or about one or more of the pictures.
6. Each of you has been given 7 jewels. After your response, you are to place the marble beside one of the pictures you responded to. You may respond in any order beginning with whoever you choose.
7. You will receive one point for each common response and 3 points for creative. This will be a subjective opinion of the judge and the judge's decision is final.

## **JUDGES ONLY:**

After you say begin Part II, if the team does not begin tell them to read #1 again and read “You may respond in any order beginning with whoever you choose.”
