

IPOD Playlist

A. *When the team members enter the room, tell them “This is a verbal problem. You will have one minute to select the five team members who will compete. The others may sit in these seats and watch (indicate the seats) or leave the room. They may not assist in solving the problem and may not talk at any time.”*

B.

1. You will have 2 minute to think and 3 minutes to respond. You may ask questions during your discussion time; however, time continues.
2. You are to respond in sequence. You may not skip your turn or repeat or pass. If one member of the team is stuck, the team is stuck.
3. You have been given 7 jewels. After you respond, place your jewel in the middle of the table.
4. Your team is putting together their Ipod playlist. A playlist is the list of songs. Your problem is for each team member to provide a song for the playlist. For example, you might say “you can run but you can’t hide from creativity.”

You will be given 1 point for each common response and 5 in points for each creative response.
